

## Monthly Reminder

### Small steps toward being prepared for an emergency

Do 1 Thing is a 12-month program that makes it easy for you to prepare yourself, your family, and your community for emergencies or disasters.

### Do1Thing in November: Emergency Supplies

Remember important items that may be overlooked when leaving your home in a disaster.

#### Tasks

[Gather your emergency supplies in an accessible place.](#)

Have a go bag ready if you have to shelter in place or evacuate your home. Your go bag can be part of your emergency kit, just make sure it is in a bag or easy to carry container and that it is easy to get to.

[Create an emergency supply kit for your pet, your car, and your workplace or school.](#)

Disasters can strike when you are away from home. If your office or school does not have an emergency kit, offer to help make one.

[Stash some cash in case ATMs and credit card machines are not usable in a disaster.](#)

Some experts say you should have at minimum \$150.00 in cash stashed away.

Realizing this may not be possible for everyone, any amount is good to start with.
